

Terms of use of the virtual world Union 3dx (Union3dx)

THESE TERMS OF USE ARE MANDATORY FOR EVERYONE. IF YOU DO NOT AGREE WITH THESE TERMS OF USE IN WHOLE OR WITH ANY PART OF THEM, YOU MUST STOP USING THE SERVICES IMMEDIATELY.

You agree that when using the virtual world of the Union 3dx (Union3dx), you are obliged to follow these UP. We reserve the right to change the UP from time to time, and your use of the services after each such change will mean your acceptance of the changes made to the UP. Therefore, it is important that you get acquainted with the new edits in a timely manner, which you can find out about by changing the number of the current version of the UP.

1. Ensuring security

We try to make our Services as safe as possible, but we cannot guarantee this. To achieve this task, we need your assistance, which includes: the execution of these UP, as well as participation in our Global Justice System and internal complaint procedures designed to resolve disputes concerning personal and virtual property.

In particular, you agree to the following:

1. When using the virtual world Union 3dx (Union3dx) You should not harm other Users. You must not harm, coerce, intimidate, threaten, harass, harass any other User, or make rude, offensive or defamatory remarks about any User, or do anything else that any sane person would consider unacceptable. The 3dx Alliance is a virtual version of the real world, including its standards of behavior. You are not allowed to do anything towards another User that would be immoral, harmful or illegal in the real world.

2. You must not harm anything related to the virtual world of the 3dx Alliance or their resources (for example, design tools, hardware or software, including chat rooms, public and private places). Prohibited actions include, but are not limited to: releasing viruses or other hostile programs, disabling or harming any of the systems and services of the Soyuz 3dx virtual world (Union3dx), blocking the software of the Soyuz 3dx virtual world (Union3dx), phishing or using automated access tools (such as bots, robots, search agents, etc.), fraudulent activities, including, but not limited to, counterfeiting of virtual currency. You should not use a virtual object, and also use them if they are obtained through account hacking, phishing, or automatically generated scripts, as well as other methods not provided for by these UP. We reserve the right to decide which actions are equivalent to harming the virtual world of the Union 3dx (Union3dx).

3. You should not use the Union 3dx virtual world (Union3dx) to send spam, as well as send other inappropriate messages, the same type of messages (flood) in general and/or personal chats.

4. Our Moderators are authorized by us to moderate actions in the virtual world of the Union 3dx (Union3dx), and they can take appropriate actions in the event of a violation of the UP data. Moderators and administrators investigate data breaches of the UP. Filing false complaints is the direct basis for the complete disconnection of the User from the virtual world of the Union 3dx (Union3dx).

2. Personal information

1. You should independently consider possible issues related to confidentiality and your personal security before disclosing your personal information to other Users. It is **ABSOLUTELY** forbidden to distribute or publish any other User's personal information without their consent. You may not post photos of any other User without their special written consent, duly executed.

2. We are not responsible for the violation of the confidentiality of your personal information by other Users.

3. Content and virtual property.

1. You should always respect other people's property. The concept of "property" includes objects that belong to the virtual world of the Union 3dx (Union3dx), or belong to other users, including, but not limited to the following: information, software, scripts, codes, animations, textures, virtual objects, avatars, videos, photos, graphics, pointers, text and any other unique content, presented as separate elements, or combined in a certain way, for example, streets, alleys and other virtual spaces and premises, virtual currency.

2. You must refrain from theft, destruction, deletion or other actions in relation to virtual property that would be unacceptable or illegal in the real world.

3. You must not use other people's property without their written permission. This includes the use of our Property: materials (including, but not limited to, software, codes, scripts, designs, textures, virtual objects, signs, signage, texts, videos, slogans, avatars, and other similar elements.

4. We do not check the materials (hereinafter referred to as "content") posted by users through the virtual world of the Union 3dx (Union3dx) and are not responsible for such content. We are also not responsible for any content uploaded or streamed by users. We will enforce these Terms of Use in the case of illegal or offensive content when this is reported to us.

5. We are not responsible for any content posted on third-party websites, even if there are mutual links.

6. If we decide that the posted material is illegal, may be illegal, violates the UP data or is unacceptable for other reasons (based on our own discretion), for example, as a result of a request from the content owner, User, other third party, or otherwise, in this case we reserve the right to delete, block access to or move this kind of content, as well as delete related links. You are solely responsible for all content posted by you.

7. We may remove any content that you distribute in public and/or private regions if we decide that it violates someone's rights (for example, violation of privacy, defamation, harassment, etc.). If we removed the content that you distributed because of a complaint, and you believe if we deleted it by mistake, then you can submit a counter complaint to us for consideration.

4. Your account

1. A prerequisite for account registration is the user's age - at least 18 years. We will not accept applications from users under the age of 18. We reserve the right to use any age verification method that we consider acceptable.

2. You must not register an account for any other user other than yourself without our written permission.

3. You must not disclose your password to anyone. You also must not grant other users access to your account or perform other actions that jeopardize the security of your account and personal information.

4. You cannot transfer your account to any other user, and you are responsible for everything that happens on your account

5. We reserve the last word regarding the account name. If your account name or identity card in any way contradicts the data of other users, or is confusing, as well as if the name looks like the account name of our employees or is otherwise misleading, we may ask you to change the account name, and you are obliged to do so, according to our request.

6. In case of violation of these Terms of Use by you, we have the right to terminate granting you access to the virtual world of the Union 3dx (Union3dx) partially or completely, temporarily or permanently. You will be able to find out about all the changes in granting you access to the Soyuz 3dx virtual world the next time you try to access your account.

5. Virtual currency

The virtual currency of the virtual world Union 3dx (Union3dx) is called "Coins".

1. We grant you a limited right to use this fictional currency to the extent that we have established. We have the absolute right to determine the maximum amount of

virtual currency that can be earned - based on each type of activity, day, account or individual user. This may lead to a limit on the maximum amount on each account for owners of multiple accounts.

2. We reserve the right, at our sole discretion, to regulate, modify, eliminate or otherwise manage the virtual currency as we deem appropriate.

We reserve the right to completely remove the virtual currency system. Coins are a fictional virtual currency that does not have its own value.
